

Fact Sheet

Game Name: CreaVures 18
Development Studio: Muse Games

CreaVures 18 Description:

CreaVures 18 is the iOS exclusive remastered version of the award-winning puzzle platformer from 2011, CreaVures, now completely self-published. Take control of five cute, mystical creatures of miniature proportions called CreaVures. CreaVures always travel in pairs, and they must use their special abilities to help each other solve challenging platforming puzzles. Set in a world with beautiful phosphorescent colors, these tiny creatures journey to save their homeland and restore light to the dying forest.

The spirit behind creating CreaVures was one of conservation and perseverance. With our own hurricane experience in NYC, we want to humbly help with hurricane relief by offering a completely optional link to Unicef, with no content being dependent on a donation.

Features

- Guide 5 CreaVures, two at a time, through beautiful and magical habitats & discover their unique abilities
- Jump, glide, swing, roll, and bounce through 18 levels of interactive, physics-based puzzle platforming as well as epic boss battles
- Immerse yourself in an enchanting world with lovable characters
- CreaVures speak 6 different languages! English, Spanish, French, German, Italian, and Dutch
- Link to [Unicef](#) to help with optional hurricane relief donation—no game content is locked based on donation

Key Changes

- Completely free—no charge, no ads, and no in-app purchases
- Fully compatible with the latest iOS devices
- Updates to shaders for graphical enhancements
- Now fully self-published!
- Removal of in-game purchases, referrals, and advertising from the publisher era
- Upgraded to Unity 5.4.5 for better support

Product Details

About Muse Games:

Here at Muse Games, we innovate and craft experiences that bring people together. We are a small and diverse group inspired by the dynamic melting pot that is NYC. With the Guns of Icarus series, we took teamwork and cooperative gameplay to a new level, bending genres and melding them together to form a new one. The top-selling series is recognized with multiple award wins and played by over a million people worldwide. Upon initial release, CreaVures received multiple major award nominations and was recognized as an iOS Game of the Week for its unique visual and atmospheric experience.
